

World of Minecraft supports families who have children with self-managed NDIS funds. The NDIS group categories are:

- Core support
- Capacity building supports
- Capital supports
- Recurring supports.

The programs delivered by World of Minecraft fall under the following:

Core Supports	
Assistance with Social, Economic and Community Participation	Supports to help or supervise you to take part in community, social, recreational, or economic activities. These supports can be provided in a range of environments, such as in the community or a centre.
Capacity Building Supports	
Increased Social & Community Participation	Supports to help you take part in skills-based learning to develop independence in accessing the community.
Relationships	Supports to help you develop positive social skills and interact with others in the community.

## **NDIS Supports terminology**

### **Group and centre based activities**

Supports for participants to access and participate in community, social, cultural and recreational activities that are provided in a group setting, either in the community or in a centre.

### **Innovative community participation**

Supports that are tailored for individual participants with extraordinary support needs to assist them to participate in the community. Extraordinary support needs arise due to a participant's specific situational and personal circumstances.

### **Participation in community, social and civic activities**

Supports that assist a participant to take part in community, social, cultural and civic activities.

This includes:

- supporting participants during relevant activities
- working with participants to develop their ability to partake in these activities.
